Presenter Information

Donna L. Gilligan
The Gilligan Group
donnalougilligan@gmail.com

Since 1995, Donna Gilligan has provided organizational effectiveness coaching, consulting and training to more than 10,000 people in Europe, Asia and the United States. Donna works closely with leadership and teams to increase effectiveness of individual and organizational performance. She emphasizes that we are living in a dynamic world and navigating this world can be a challenge. Donna actively engages participants in the discussion of the personal leadership and organizational leadership required to ensure individual and organizational success through change, as she believes that great results are achieved through great relationships. Donna holds a Bachelors degree from Central Methodist College, a Masters degree from Miami University of Ohio and all but her dissertation for a Ph.D. from Iowa State University.
