

Did you know? City of Ames Rummage RAMPage.

Summertime in Ames is here, which means the Rummage RAMPage is near. This annual community sale is a great way to repurpose items and to keep them out of the landfill. Below are some helpful questions for those wanting to participate in this year's event.

- **When is Rummage RAMPage?**
 - Friday, July 25th – Saturday, August 2nd.
- **Where is Rummage RAMPage?**
 - The event will be held at the Ames Intermodal Facility, 129 Hayward Ave.
- **Why is the sale at the end of July?**
 - Leases all over Ames typically terminate at the end of July, which is when the most items get discarded that are still useable. With the leases terminating at the end of July, new leases will start at the beginning of August. Which gives everyone a great opportunity to drop off items or find new items.
- **What items can be donated?**
 - The acceptable items can range anywhere from furniture, televisions, kitchenware, small electronics, and more!
 - For more details and a list on what can be accepted, check out their [webpage](#).
- **Who can participate in this event?**
 - Whether you are hoping to donate or shop, this event is open to anyone!
