ISU Seeking Chief Diversity Officer

In early May the university will begin the search for its first Chief Diversity Officer. In preparation for this search, the committee is seeking input from stakeholders across the university regarding the duties of the position, the personality traits of a successful candidate, and what role the CDO will play within ISU and as a liaison with Ames.

Please visit the [Chief Diversity Officer Search webpage](#) for more information. In addition, the search committee is holding town hall meetings. The next town hall is scheduled for April 7th at 2:45 in the Gallery Room.

If you have input or comments on the search, you are encouraged to e-mail the search committee at cdosearch@iastate.edu, or you can email the P&S Council VP of Equity and Inclusion, Katie Davidson, at katied@iastate.edu.
