## Nominations Open for P&S Staff Awards

Each year Iowa State University recognizes staff accomplishments through university awards. With these awards, we celebrate those who have demonstrated their commitment to learning, discovery, and engagement - the cornerstones of Iowa State's land-grant mission.

We encourage individuals, programs, departments, and colleges to nominate staff for one of the following available awards:

- Professional and Scientific Excellence Award
- Carroll Ringgenberg Award
- Professional and Scientific Outstanding New Professional Award
- Professional and Scientific Research Award
- Regents Award for Staff Excellence

In most cases, nominations must be routed through the staff member's academic college or unit; a few awards allow for direct nomination. Nominators are strongly encouraged to check with their college office early in the process.

Nomination forms are available [HERE](#).

**The deadline for nominations is Tuesday, February 10, 2015.**

- [Leadership at Any Level](#) is a series of professional development sessions focused on enhancing an individual's leadership potential.
- Tuition Reimbursement Program provides tuition reimbursement to eligible P&S and Merit staff members applying for financial assistance to help defray the cost of tuition.
- [To Cause Thought](#) - a blog written by Don Broshar, UHR, that focuses on leadership development and the skills needed to be an effective leader.
