## P&S Staff Spotlights

**Tonia Baxter, Chemical and Biological Engineering**

Tonia Baxter, Academic Adviser II in the Department of Chemical and Biological Engineering, was the recipient of a 2015 CYtation Award. Tonia joined Iowa State University in May of 2015 and has 18 years of advising experience. Tonia went above and beyond when a combination of circumstances left her as the only academic adviser in the department, just four days after she started her new position. At the time, she single-handedly advised 800 undergraduate students! Learn more about Tonia [here](#)
