The EMPP program is underutilized. If you, your employee or your coworker are interested in learning more, [guidelines are available here](#), or you can contact [University Human Resources](#).

May Seminar Series Event - Walk the Labyrinth on May 8!

Does the end of the semester have you feeling stressed? The Professional and Scientific Council would like to invite you to Walk the Labyrinth on May 8th from 2-3 p.m. in the Pioneer Room of the Memorial Union.

The Labyrinth is a wonderful way to take a little bit of time for yourself and simply "be." After a brief overview and explanation of the labyrinth you may experience the labyrinth for the amount of time you desire - take the full hour, or take much less - it's up to you.
