

Benefits planning for the new year!

As you prepare for 2024, here are some resources you can use.

More on healthcare coverage.

Do you have a question about what a healthcare visit will cost in 2024? Wellmark is offering Customer Service support for Iowa State University employees. Employees can call the Customer Service number on their Wellmark ID card (1-800-494-4478) and speak with a Wellmark Customer Service Representative to learn how a service/visit will be paid in 2024.

Your Iowa State University Benefits team is available for questions regarding the changes to our healthcare coverage. You can [schedule a meeting](#) with your Benefits Consultant to assist you with your questions.

Are you a lifelong learner?

Iowa State University supports lifelong learning for our employees, and one way is through the [Tuition Reimbursement Program](#). If you are thinking about taking classes at Iowa State, please take the time to explore the program and see if it works for you. Employees are encouraged to review all program guidelines to fully understand what is required. If you have questions, please email tuitionreimbursement@iastate.edu.
