The Iowa State University Professional and Scientific Council is an active participant in the shared governance process. Council continually strives toward service, advocacy and representation of P&S Employees. As part of this process, Council identifies the needs of our constituents, provides information and advice in response to those needs, and recommends policies and procedures to the administration that benefit P&S employees and assist in fulfilling the mission of Iowa State University.

Council fulfills its purpose in addition to its priorities of: Serving as the Voice of P&S Employees in the Shared Governance Structure, Investigating and Responding to P&S Employee Concerns, Providing Professional Development Opportunities for P&S Employees, Honoring P&S Employees, Representing P&S Employees, and Encouraging P&S Employee Engagement.

The 2019-2020 Professional and Scientific Council consisted of 44 Members. Members of the Executive Committee:

Amy Ward, President
Stacy Renfro, Past-President
Sara Parris, President-Elect
Joy Stroud, Secretary/Treasurer
Kelly Friesleben, Vice President for University Community Relations
Lindsay Moeller, Vice President for Equity and Inclusion
Barry McCroskey, Vice President for University Planning and Budget
Suzanne Ankerstjerne, Awards Committee Chair (replaced Sarah Morris-Benevides in January 2020)
John Burnett-Larkins, Communications Committee Chair
John Odenweller, Compensation and Benefits Committee Chair
Jacob Larsen, Peer Advocacy Committee Chair
John Hascall, Policies and Procedures Committee Chair
Tera Lawson, Professional Development Committee Chair
Matt Laurich, Representation Committee Chair

The information provided below serves to document the ways the council addressed its priorities and strategic initiatives. Each individual committee and vice president year end reports are included in the appendices and are posted on the council website.
**Professional and Scientific Council Priorities:**

<table>
<thead>
<tr>
<th>Council Priority</th>
<th>Addressed This Year</th>
</tr>
</thead>
</table>
| Identify the needs of our constituents, provide information and advice in response to those needs. | - Identified the needs of constituents and used information to advocate for employee needs through specific requests for feedback on:  
  - Classification and Compensation Review Process  
  - The FY20 Council Strategic Initiatives  
  - The Improved Service Delivery Initiative  
- Meeting with Ombuds to discuss employee grievance procedure regarding staff issues  
- Meeting with University Human Resources to discuss grievance procedures (concerns regarding retaliation)  
- Advocate for the needs of constituents by participation on University committees:  
  - WorkCyte Steering Committee  
  - Improved Service Delivery Advisory Board  
  - University Child Care Task Force  
  - University HR C&C Advisory Team  
- Listened to individual staff issues with and worked with proper University department decision makers to resolve these issues – Compensation and Benefits Committee  
- Advised Staff with questions on policy and guided them to more information on these subjects through documented University communication – Compensation and Benefits Committee  
- Consulted with staff throughout the year on concerns such as work environment, lay-offs, problems with supervisors and grievance procedures – Peer Advocacy Committee  
- Produced Did you know...? newsletter items to inform constituents of programs and information available to them for Council newsletter  
- Participation in summary dismissal appeals committee to help provide a full and fair review.  
- Worked to determine the correct number of Councilors after changes due to the implementation of ISD and the changes to the University Organizational Chart. Used this information to determine and report number of seats available for 2020 Professional and Scientific Council Elections.  
- Worked to increase promotion of council news, events, elections including a major expansion of council social media via Facebook and Twitter to get more frequent and relevant information to council constituents.  
- Worked to create opportunities for P&S Employees to learn new skills and strengthen old ones, gather resources and information, engage and network with others, and ask questions about topics and activities. This included:  
  - Hosting 11 monthly Seminar Series Events on diverse topics relevant to P&S Employees |
including So you know your personality style, now what?, Could you, should you, will you save more for retirement?, Managing Teams for Creative Outcomes, Creating Effective Presentations, Negotiating for Success - Strategies, Tools, and Skills, Infusing Fun into the Workplace While Getting Stuff Done!, and Don't Let Surprises Spoil Your Retirement.

- Advocating for increased university sponsored personal and professional development opportunities for P&S Employees.
- Planned and hosted a full day professional development conference focused on the personal and professional development of P&S Employees. The theme for the 2020 Professional and Scientific Council Professional Development Conference was Cultivate Your Adventure: Thriving Together. The 8th Annual Professional and Scientific Council Professional Development Conference was held on February 13, 2020 and aimed to provide participants with opportunities to experience growth and encouragement, to engage in positive social interactions with their fellow Professional and Scientific Employees, and to gain skills and knowledge they can use as they continue their adventures at Iowa State University.

- Contributed to the University Human Resources COVID-19 response. Thirteen of the Professional and Scientific Council Seminar Series Events were highlighted on the ISU Resources for Web-Based Professional Development webpage created by University Human Resources (https://www.hr.iastate.edu/tools-for-employees/learning-development/isu-resources-for-web-based-professional-development).
- Continued improvement and expansion of new council website that was launched at the end of the previous council year.

| Recommend policies and procedures to the administration that benefit Professional and Scientific Employees | Researched, developed and proposed the FY20.4 - Motion to send the 2020 Compensation and Benefits Report and the Compensation and Benefits Recommendation for FY2021 to University Administration |
| Recommended adoption of classification and compensation system through Compensation and Benefits Recommendation and conversations with University Human Resources and other Administration. |
- Recommended implementation of policy on performance-based salary increases through meaningful annual performance appraisals.
- Advocated for employees in policy and procedure changes through the Policies and Procedures Committee Chair’s position on the Policy Library Advisory committee.
- Leveraged meetings with administration to communicate constituent needs regarding existing policies and procedures and changes to consider.

Assistant in fulfilling the mission of Iowa State University (ISU Mission: “Create, share, and apply knowledge to make Iowa and the world a better place.”)

- Assist in fulfilling the mission of Iowa State University by participating in the shared governance structure and advancing Council priorities on behalf of staff. In addition to the items above, the Council President and President-Elect met with President Wintersteen to work collaboratively, share feedback from staff and perspectives on university activities. Council also invited various campus leaders to promote the mission and vision of Iowa State University through presentations at Professional and Scientific Council Meetings.
- Continued the initiative to highlight P&S Staff by providing a link for personnel to submit nominations, evaluate submissions per CYtation Award criteria to determine monthly newsletter entries, and adding each monthly entry to a Highlighting ISU Staff webpage within the Awards section of the P&S Council website.
- Shared information on winter weather, internal job application procedures and staff tuition waivers through “Did you know?” articles in the monthly newsletter.

The Iowa State University Professional and Scientific Council engaged in a 2019-2020 strategic initiative planning session during the council meeting on July 11, 2019. Information for this planning session was brought forward from Councilors reaching out to their constituents. The strategic initiative ideas, suggestions, and comments provided by Councilors during the July 11 meeting were grouped by the Council Executive Committee, during the Council Executive Committee Retreat on July 30 into four categories which include those below. Implementation ideas and suggestions were also provided by Councilors for each of these four initiatives. The notes from the discussion were shared with each Council Committee and Vice President as ideas for consideration.

Professional and Scientific Council Strategic Initiatives for 2019-2020:

<table>
<thead>
<tr>
<th>Strategic Initiative</th>
<th>Ways Addressed in 2019-2020</th>
</tr>
</thead>
</table>
